Tango X

Powerful bullet vibrator

The powerful bullet.
Now better than ever.

What it is

For 10 years, the mini but mighty Tango has been one of the world's most powerful bullet vibrators. Now, Tango X is taking it to another level, featuring a motor that is extremely powerful, vibrations that are more rumbly and a shape that is optimized for maximum pleasure, while a newly designed handle offers better grip. Tango X targets your sweet spot with pinpoint accuracy. Petite, powerful and precise, Tango X fits perfectly in the palm of your hand.

Who it's for

Tango X is perfect for anyone looking to take their play to another level – whether solo or with a partner – while still enjoying the compact, discreet and convenient nature of a mini vibe.

How to play

1. Place the silicone grip securely in the palm of your hand.

2. Position Tango X on your clitoris or other erogenous zones and enjoy the deep vibrations.

3. Explore different settings and positions to tailor your experience.

Partner play

Tango X features a silicone grip that fits perfectly in the palm of your hand, meaning there is no limit to the fun you and your partner can explore together.

How to demo Tango X

- 1 Set the scene** – Paint a picture of scenarios in which Tango X can be enjoyed – bring it into the bathtub, or on a weekend getaway. Used solo or with a partner, the possibilities are endless.
- 2 Power up** – Press the + button to power on.
- 3 Adjusting intensity** – Mention that there are two ways to increase and decrease intensity: a) users can simply hold the + button for a rapid, seamless increase (- for decrease); or b) tap the + button to gradually increase intensity (- to decrease).
- 4 Shape, design and waterproof rating** – Highlight that Tango X has a „pinpointed shape“ for deep rumby vibrations despite its small size. Note that Tango X is also IPX7 rated – meaning it is waterproof and can be enjoyed in the bathtub or in the shower.
- 5 Good vibrations** – Demonstrate the 7 different vibration patterns and 8 intensity settings – offering a lot of variety for both solo and partner play.
- 6 Travel lock for discreet travel** – Activate the travel lock feature by holding the + and - buttons at the same time for 2 seconds. Tango X will pulse twice and the device will lock – do the same again to unlock. The travel lock ensures Tango X stays discreet while traveling. Note that the travel lock is deactivated by charging Tango X.
- 7 Power off and charging** – Press and hold the - button to turn Tango X off. Note that Tango X can be recharged via its magnetic charging pins.
